### Descriptions:

This tutorial is a user guide for setting up your Paypal option payment for your Shopping Cart. Setting up your Shopping Cart and payment options correctly will ensure that you are able to receive payment from your buyers or clients.

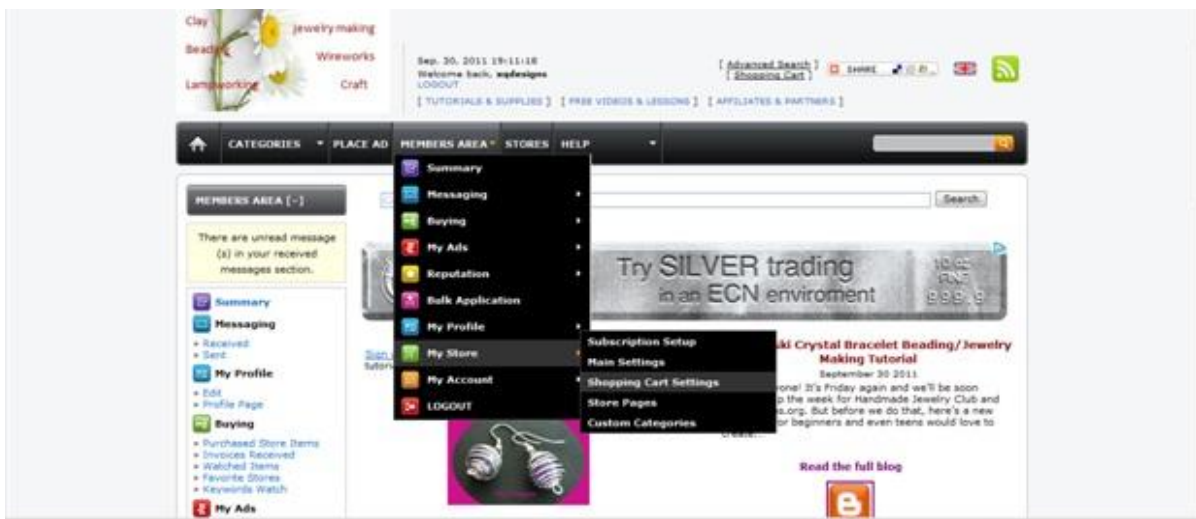

### Step 1:

Log-in to your DIY Lessons.org account and click on the “Members Area” found on the navigation bar. Click on “My Account” and select “Manage Account.”

**Step 2:**

To setup your Paypal account, look for “Direct Payment Settings” at the bottom of the page. At the “Paypal Email Address box” enter your Paypal account then click on “Update”

**Step 3:**

After clicking “Update,” go back to “Members Area,” click “My Store” and select “Shopping Cart Settings.”
